RE: CAG Resolution 2020-1

Mr. Gregory Sopkin,  
Regional Administrator  
USEPA Region 8  
Denver, Colorado

Delivered via E mail  
RE: CAG Resolution 2020-1

Dear Mr. Sopkin:

We hope that this email finds you and your family well.

The VB/I-70 CAG has been meeting monthly since March, 2017. We adopted Bylaws in September, 2017 and elected an Administrator shortly thereafter.

The CAG, consistent with its obligations under the CAG's Bylaws to advise the EPA on work ongoing in the VB.I70 Site, offers you the attached CAG Resolution 2020-01, and requests that the Agency fulfill its responsibility under the Superfund regulations pertaining to CAG recommendations and advice, to respond in writing.

Thank you for your attention to this matter and we look forward to hearing from you and your staff within the next 30 days..

Warmest regards,

*Fran Aguirre*  
CAG Administrator
